Mission Statement:

The GUNG HO Referral Group was established to provide Central New York with a professional organization based solely on creating an environment where industry leaders could expand their business contacts through referrals. We are not a "tip club" or a casual social assemblage, but a dedicated group of professionals committed to developing our business environment. Our chapter's by-laws dictate that there can be only one individual from a specific trade or business permitted to join and we reserve the right to disallow an applicant who we feel is not capable of being a positive force for our chapter.
